

**Geographic Information Systems
Digital Data Sharing Agreement**

Exhibit A

Name of Grantee: _____

Effective Date of Agreement: _____

Datasets Provided: All GIS datasets available from Somerset County GIS.

Terms and Conditions: Use and distribution shall be limited to the following:

1. In order to maintain data integrity between the municipality and County, and provide consistent data to those seeking it, requests for datasets created by Somerset County are to be directed to Somerset County MIS/GIS.
2. Datasets modified by the Grantee are to be distinguished from original versions developed by the County both in name and in metadata content.
3. GIS datasets may be used for internal municipal operations and business functions.
4. Consultants under contract with the municipality may have access to GIS datasets, however:
 - a. Independent contractors shall be required to agree to all restrictions and limitations contained within this Digital Data Sharing Agreement, and
 - b. The Grantee shall consult with the Somerset County GIS Coordinator **prior** to providing any County developed GIS dataset(s) to an independent contractor.
